# HEELEY SURGICAL LTD

Manufacturer of Surgical Instruments

*Quality without compromise*

Reusable  
Product List

---

---

We, Heeley Surgical Ltd, offer a wide range of the highest quality surgical instruments available in today's market place at very competitive prices.

Our aim is to provide you, the customer, with the correct instruments of the highest quality at the right time.

We also offer to audit surgical instrument trays free of charge and advise of possible alternatives. We are a constantly forward thinking company with an ultimate aim of providing solutions to your needs whilst also saving you money.

All products manufactured and supplied by Heeley Surgical Ltd comply with the requirements of recognised standards; these include British, European and International quality management systems ISO 13485. All our instruments carry the CE Mark, are made from the highest quality materials and carry a 3 year replacement guarantee.

Managing Director, Mr Alan Heeley, has 48 years experience in surgical instrument manufacturing and design. Having been an instrument maker himself he brings an in depth knowledge and expertise to the company.

If Heeley Surgical Ltd can be of any help or service to you, or you would like to discuss any requirements you may have we would welcome the opportunity to provide you with any information or help you may require.
